

The Portland mantel is in traditional styling and will bring style and elegance to any room. This traditional fireplace utilises Revillusion Flame technology - A clear view through the lifelike flames, to the full concrete interior, captures the charm of a wood-burning fireplace.

- Revillusion Flame technology - Flames are larger, brighter and more random, appearing from within the logs
- Mood lighting - customise the firebox glow with a choice of hues
- Set up in minutes, no expensive installation or venting required
- Colour enhancement - adjust the flame base to red or blue
- Realogs Plus - a full grate of life-size hardwood-cast logs, tiered for greater depth
- Full Concrete-surround firebox
- Brightness flicker & ambient light sensor
- Can be moved from room to room
