

# eufy Security Indoor Cam 2K

<b>2K</b> 2K Resolution	Pet AI	Human AI	Local Storage (SD Card Not Included)	Night Vision	Motion Detection	Multi-Activity Zones	Two-Way Audio
----------------------------	--------	----------	---	--------------	------------------	----------------------	---------------

## Human and Pet AI

Get notified of what your cheeky children and playful pets are up to.

## The Key is in the Detail

See exactly what is going on in any room in picture perfect 2K clarity.

## Works with Voice Control

Apple Homekit, Google Home Assistant and Alexa compatible. (Apple HomeKit compatibility will be available at a later date)

## A Clear View at Night

Night vision for continued surveillance in low-light settings.

## Two-way Audio

Speak to directly to anyone who passes.

## Smart Detection Zones

Customize the areas in which the camera will detect motion so you only receive the alerts you care about.
